## Summer 2022

### Welcomes & Goodbyes

As we head into summer, we sadly had to say goodbye to some of our friends, but welcomed some new ones. Presley, Jude, and Isabelle have moved up to preschool. We miss them, but know that they are ready and will have a great time. This past spring we welcomed Lucy from the infant room. In June we will be welcoming both Owen and Millie. Millie is joining the Parkside family and Owen is moving up from the infant room. We are excited to get to know all of our new friends!

### Weather Reminder

With the beginning of summer, please remember to bring a jacket, as the mornings can still be chilly. As the warmer weather starts arriving, we will be playing with water more. Please feel free to send a swimsuit or a bunch of extra summer clothes along with some water shoes to avoid soaking tennis shoes. It may be a good idea to label all of your child's clothes and belongings.

We will be applying sunscreen on the children once the warmer weather arrives. We have school provided sunscreen available, but if you prefer a personal one, you can send that in as well.

### Look what we're learning in the Summer...

This Summer we are learning tons of new fun things! We will start the summer off by learning about the beach and ocean! Then we will transition into exploring all things about water such as different forms, textures, uses, and locations.

We will continue to work on language building with our friends. Potty training is an ongoing process in our classroom and we try to work on it with every child who wants to try the potty. We will keep you updated when we feel they are ready for the next step, and of course you can let us know if you want to move on to the next step at anytime!

### Important Dates:
